Future Water Leaders Award

What is the Award?
The Future Water Leaders Award promotes excellence in the development of young researchers who are capable communicators and innovative thinkers.

Who can enter?
Postgraduate research students:
- Who have new research to communicate about a water-related topic. (final year, near-final year, or have submitted their thesis within the last 12 months)
- Who were aged 35 or under at the time of submitting their paper.
- Who are keen to communicate findings at the 13th International Riversymposium.

How do I enter?
- Complete the entry form.
- Submit a 200 word abstract reflecting the content of your paper.
- Submit an extended summary (3 - 4 page) describing your research and findings.

Finalist Benefits
- Complimentary registration to the 13th International Riversymposium being held in Perth, WA.
- Complimentary attendance to the conference Welcome Function and Riverprize Gala Dinner.
- The opportunity to present your paper as part of the conference program.
- Display of your biography for the duration of the conference in the delegates area.
- Finalist prize money.

Entries close: 30 July 2010
